Global Caché Adds Distributor Convergent Technologies in Australia

Control4 Distributor to Sell and Support Global Caché IP-enabling Products

Jacksonville, OR – July 31, 2008 – Global Caché, the award winning provider of IP-enabling products for homes and businesses, announced today they have signed Control4 distributor Convergent Technologies to sell their products in Australia. Convergent Technologies distributes Control4 merchandise and complimentary products with an emphasis on training and support for their dealers.

Global Caché's GC-100 Network Adapter physically connects diverse devices throughout a home and business to a network so they can be controlled, automated, and maintained by network-based software. Global Caché provides IR learners, sensors, IR receivers, and other IP-enabling products to connect previously unconnected systems to a network. Global Caché products are engineered to work with other standards based products. Convergent Technologies, based in Melbourne Australia, distributes a wide range of home automation and control products, including solutions by Global Caché's Strategic Alliance Partner, Control4. Used together, the companies' products offer seamless flexibility and cost-effective solutions for homes and businesses.

About Global Caché, Inc.

Global Caché is dedicated to producing state-of-the-art products that enable technology in homes and businesses. Our award-winning GC-100 Network Adapter provides the means for network-based automation and management software to access, control, and deliver services in a networked environment to diverse and previously unconnected devices and appliances. In addition, Global Caché provides an IR learner, winner of the prestigious CEPro Product of the Year award for IP-enabling, sensors, receivers, and conversion cabling to connect previously unconnected systems to a network. Global Caché sells through distributors, VARs, and OEMs. For more information on Global Caché and our products and services or to place an order, visit online at www.globalcache.com or call us at 541-899-4800.

About Convergent Technologies

Convergent Technologies is an IT-based wholesaler with home automation and AV experience that is driven by a desire to provide quality products with the technical support to match. Convergent believes dealer education, training and satisfaction are paramount to industry success, far more than the features of any one product line. Convergent offers a wide range of hardware and software solutions, including Control4 Home Automation Products, Infinity Home Audio loudspeakers, D-Tools System Integrator Software and our own 10.4" wireless touchscreen. For information on Convergent Technologies visit online at www.c-t.com.au, or call +61 3 9490 5888.
